

## **27 Members of Kiwanis Family Complete One Day Service Project**

On Saturday, April 21<sup>st</sup>, 27 members of the Kiwanis family gathered at Warriors Path State Park to prepare Darrell's Dream Boundless Playground for a busy summer season. Arranged as part of the Kiwanis International "One Day" of Service Project, our group joined with approximately 75 other community volunteers to transform the Playground and surrounding area from a messy winter landscape into a lovely summer dream. Our team's work was planned by Wayne Hoard, Chair of our Projects Committee. Answering Wayne's call for help were: Chuck Smith, Annis Bass, Walter Miller, Tim and Dylan Miller, Barry Bailey, George Gibson, Bill Sade, Tim, Dominick and Finn Coughlin and the boys friend, Devonte Mitchell, Joe Connelly, Jim Cornell, Dick Blair, Bill Grigsby and Dave Stevens.

Our club was ably assisted by nine members from the Sullivan South Key Club: Eric Stuart, Matthew Sheppard, Ben Hasler, Tina Anjonrin-Ohu, Elizabeth Lee, Timothy Hogue, Christa Bard, Brianna Mullins and Brian Eldreth.

Our club's assignment was the cleaning of the Playground equipment and picnic pavilion. After completing our assignment, we helped with moving wheelbarrows of mulch, rock, sand and gravel to appointed areas of the Playground and general clean-up of the grounds.

The Playground is now ready for the summer and the dedication of the new Palmer Center Foundation amphitheater this Monday at 11 am. All club members are invited to attend the dedication ceremony.
